February 1, 2023

Dear Pastor and Congregation,

On behalf of Second Chance Center of Hope, I would like to thank you for your support in 2022.

Covid is still trying to keep us from helping others, but with community partners like yourself, it doesn't stand a chance!!! We are very appreciative of your commitment to help our less fortunate members in our community.

We are still supported by churches, businesses, and members of our community. Our biggest funder has lowered our amount again but we are hopeful that with the community and community partners, fundraising, and God we will come out on top!! We will not operate in a spirit of fear because we know that we can do all things through Christ who gives us strength!!

Last year, we served 1492 households with a combined total of 3852 people. This amounted to 34,668 meals being provided!!! That does not include the meals that we served inside the building to the homeless. Due to our funding getting lowered, we have changed our shopping for our clients to once a month. We believe with 4 food pantries in town, that should be sufficient for them. We will help in emergencies because we never want anyone to starve.

We have resumed our cooking classes, and other programs that we feel will help our clients be more self-supporting and they have taken off.

Attached is our blessings of the month form which shows what we need during the year, but we are thankful for every donation we receive!!

Sincerely

A handwritten signature in cursive script that reads "Chiquita Nash".
